N-TRAK
N SCALE MODULAR RAILROADING

Welcome!

LENS is a group of people with a common interest in modeling N scale railroads using the "NTRAK" modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!
Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers.

Opinions published here are solely those of the editor and/or the members of the Lake Erie N Scale Society.

This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by the members of the Lake Erie N Scale Society.

For information or questions regarding our Society, you may contact Dennis Lloyd at 440-352-7081 - or - (dennis.lloyd@comcast.net)

Meetings normally start at 8:00 p.m., the fourth Friday of each month.

SHORT LINE

* We will be holding a meeting of LENS this coming Friday (June 22, 2007), starting at 8:00 p.m. Our meeting will be held at the home

of Joe Y., where we will discuss the upcoming 2007 - 2008 calendar, make arrangements for an annual picnic date, and generally talk about our hobby.

- * Two new sets of modules were set up and run at the Farmpark in May. Both were in their early stages, but it gave us a “sneak peek” at things to come.

See you at the next station!
