N-TRAK
N SCALE MODULAR RAILROADING

Welcome!

LENS is a group of people with a common interest in modeling N scale railroads using the "NTRAK" modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!
Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

Annual Picnic

NOTE THE CHANGE OF DAY & TIME: *the picnic will be held on the **3rd** SATURDAY, August 18, 2007. The grilling starts at 6:00 p.m.*

Traditionally, we have not had a meeting in the month of August. Instead, we have a “cookout / pot luck” picnic. It is a chance for our members to bring a guest and/or families, to meet with other members in a different setting (although we still talk about trains of course!).

This year’s picnic will be hosted by Lou & Donna D., which is also the home of the (G scale) Basemont Valley Northern RR. The “Golden Spike” was recently set and trains will be running - guest consists welcome.

You will need to bring something to grill, something to share, plates and utensils, and a folding chair. Lou & Donna will supply soft beverages (coffee, pop, water).

It may get cold after the sun goes down— so don’t forget a jacket or sweatshirt if you hang around for conversation after dinner.

“F.R.E.D.”

See you at the next station!
