Over 30 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the "NTRAK" modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

- Setting up / tearing down**
- Running trains**
- Sharing your knowledge**
- Learning something new**
- Answering questions**
- Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping! Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

Last Month's Set-up

The August Picnic was held Labor Day weekend. The editor hopes that it was well attended. He expected to be there, but didn't remember the date until Sunday. (Duh!)

This Month's Meeting

This month the meeting will be held at the home of Matt K. at 7:30 PM on September . We need to start planning our Fall set-ups. Map attached.

Operation Session

Richard F will hold an operating session on Saturday, September 26 from 1:30 to 4:30. Please contact him at rfeldman@customfabricators.net if you will be attending. Map attached.
