## Over 30 years of promoting model railroading!

**Welcome!** LENS is a group of people with a common interest in modeling N scale railroads using the “NTRAK” modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down  
Running trains  
Sharing your knowledge  
Learning something new  
Answering questions  
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!  
Hopefully, we will continue to see you at the meetings and display events.

***Come and join in the fun!***

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers.

Opinions published here are solely those of the editor and/or the members of the Lake Erie N Scale Society.

This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by the members of the Lake Erie N Scale Society.

**For information or questions regarding our Society, you may contact Dennis Lloyd at 440-352-7081 - or - (denlloyd@gmail.com)**

**Meetings normally start at 7:30 p.m., the fourth Friday of each month.**

## **Last Month's Meeting**

Last month was our annual Winterfest at Dave N's home. Thanks to all the spouses who also attended. We finalized the Chardon set-up and began preparations for the March Railfest at Lakeland Community College. We also began preliminary discussions about a summer trip.

## **This Month's Meeting**

The February 26th meeting will be held at the home of Chuck L. at 7:30 PM in Concord. Please bring indoor shoes to wear. We will recap the Chardon Library set-up and prepare for Railfest in March at Lakeland Community College. This is our biggest event of the year where set-up, running, and tear-down are important but also we have the largest impact on the public and we have a chance to sell our surplus items. year, The more members we have helping to run trains and help at the sales tables the better it is for the group.

## **Next Month's Set-up**

On March 19th and 20th we will be running a Railfest at Lakeland Community College. This year it looks like we will fill our allotted space. Set-up will officially begin about 6 PM on Friday the 18th, but we can get in earlier. We will need lots of hands for set-up (and tear-down at 4 PM on the 20th). There will be a sign-up sheet for running times available after the first of March. Also, those selling items at the LENS tables will need to bring money for change, a list of items being sold and prices (form attached) and spend some time at the sales tables.. Please pitch in to make this a successful event.

**“F.R.E.D.”**

***See you at the next station!***
