

Lake Erie "N" Scale Society

"L.E.N.S."

April 2016

Short Line

Over 30 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the “NTRAK” modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!
Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers.

Opinions published here are solely those of the editor and/or the members of the Lake Erie N Scale Society.

This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by the members of the Lake Erie N Scale Society.

For information or questions regarding our Society, you may contact Dennis Lloyd at 440-352-7081 - or - (denlloyd@gmail.com)

Meetings normally start at 7:30 p.m., the fourth Friday of each month.

Last Month's Meeting

On March 19th and 20th we set up, ran, and tore down a large layout at Railfest at Lakeland Community College. A big "Thank You" to all who made this a smooth and successful operation.

This Month's Meeting

The April 22 meeting will be held at a new location. Phil B. has invited us to his home (also the home of little Anthony) for our April get together. There is a map either attached or enclosed. We will meet at 7:30 as usual. Thank you, Phil.

Next Month's Set-up

We need a volunteer to host the May meeting. Any takers?

“F.R.E.D.”

See you at the next station!
