"L.E.N.S."

May 2016

Short Line

Over 30 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the "NTRAK" modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!
Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

Last Month's Meeting

The April 22 meeting was held at a new location. Phil B. invited us to his home (also the home of little Anthony) for our April get together . Thank you, Phil. The question is, "Will we ever be invited back?"

This Month's Meeting

The May meeting will be held on MAY 20th, the THIRT Friday of the month. The change is due to the Memorial Day weekend. We will gather at 7:30 at the home of Matt and Barb K. The map is either enclosed or attached. We need to finalize the Rails in the Park set-up. See you there.

Next Month's Meeting

We usually take the summer months off. Here is a run-down of the early fall meetings:

LENS Sept. meeting - Sept. 30th (host travelling during the 4th Friday) - Jerry V will host.

LENS Oct. meeting - Oct. 28th - Charlie T. will host.
