# Short Line

## Over 30 years of promoting model railroading!

**Welcome!** LENS is a group of people with a common interest in modeling N scale railroads using the "NTRAK" modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down  
Running trains  
Sharing your knowledge  
Learning something new  
Answering questions  
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!  
Hopefully, we will continue to see you at the meetings and display events.

***Come and join in the fun!***

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers.

Opinions published here are solely those of the editor and/or the members of the Lake Erie N Scale Society.

This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by the members of the Lake Erie N Scale Society.

**For information or questions regarding our Society, you may contact Dennis Lloyd at 440-352-7081 - or - (denlloyd@gmail.com)**

Meetings normally start at 7:30 p.m., the fourth Friday of each month.

## **Last Month's Meeting**

The October meeting was held on on the THIRD Friday, October 21, at 7:30 at the home of Charlie T.

## **This Month's Meeting**

This month's meeting will be this Friday, November 18th at 7:30 PM at the home of Judson E. We need to finalize the Country Lights set-up at FarmPark in Kirtland.

## **How to Build a Railroad Day**

We again had a linear layout at Lakeland Community College on November 5th, from 9 AM through 4 PM. Several of us also gave demonstrations that day. Attendance seemed light but those that attended seemed very interested.

## **Next Month's Meeting**

There will be no meeting in December since we will be busy with FarmPark's Country Lights.

## **2017 National N Scale Convention**

Several of us are talking some modules to this meet in Pittsburgh next summer. More discussion is sure to follow.

## **2017 N Scale Day in Columbus with the Crooked River Group.**

The Crooked River Group has invited us to join them next year. More discussion to follow.
