

Lake Erie "N" Scale Society

"L.E.N.S."

May 2017

Over 30 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the “NTRAK” modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!
Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

Last Month's Meeting

Last month we met at a new venue, the home of Scott G. We viewed his layout which is under construction. There was discussion about the set-ups at Railroads in the Park, the Painesville Depot, the National N Scale convention and the Jefferson Depot. There was also a discussion about the next Country Light event.

This Month's Meeting

This month's meeting will be at 7:30 PM on May 19th at the home of Jerry V. We will recap the Painesville Depot set-up and have a clinic on lubricating engines. Note that this is the THIRD Friday since the next weekend is Memorial Day.

Next Month's Meeting

There will probably no meetings in the summer months but we will still be busy with all the set-ups.

2017 National N Scale Convention

Several of us are talking some modules to this meet in Pittsburgh next summer. The dates are June 21—25.

Railroads in the Park

This year it is June 3rd and 4th. Details at the May meeting.

Jefferson Set-up

There will be a linear set-up on July 15th from 10 am to 4 pm.
