*"L.E.N.S."*

September 2017

## SHORT LINE

**N-TRAK**  
N SCALE MODULAR RAILROADING

## Over 30 years of promoting model railroading!

**Welcome!** LENS is a group of people with a common interest in modeling N scale railroads using the “NTRAK” modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down  
Running trains  
Sharing your knowledge  
Learning something new  
Answering questions  
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!  
Hopefully, we will continue to see you at the meetings and display events.

***Come and join in the fun!***

## This Month's Meeting

This month's meeting will be on the FIFTH Friday, September 29th, at the home of Phil and Tony B. The change to the fifth Friday was changed due to a scheduling conflict. We will need to review the upcoming set-ups and anything else of interest. A map is attached to the email. See you tin September!

## Next Month's Meeting

The October meeting will be on October 27th at 7:30 at the home of Charlie T. This is the same place we have been meeting, but this time Charlie actually lives there. We will need to discuss the "How to Build a Railroad Day at Lakeland and see the latest addition to Charlie's layout, See you there!
