SHORT LINE

N-TRAK
N SCALE MODULAR RAILROADING

Over 30 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the “NTRAK” modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!
Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers.

Opinions published here are solely those of the editor and/or the members of the Lake Erie N Scale Society.

This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by the members of the Lake Erie N Scale Society.

For information or questions regarding our Society, you may contact Dennis Lloyd at 440-352-7081 - or - (denlloyd@gmail.com)

Meetings normally start at 7:30 p.m., the fourth Friday of each month.

Last Month's Meeting

Last month's meeting was held at the home of Charlie T. He had added on to his layout since last year, so that will be worth viewing. We have the dates for FarmPark so we began initial planning.

This Month's Meeting

The November meeting will be on November 24th (the day after Thanksgiving) at 7:30 at the home of Judson E. Among other things, we will need to finalize plans for the Erie Christmas show and the annual FarmPark set-up. Hopefully, the weather will cooperate. A map is attached. See you there.

Next Month's Meeting

.There will be no meeting in December, since we will be very busy at FarmPark for the Country Lights set-up, run, and tear down. This year we will be there from 5 PM until 9 PM each night of running. Set-up is Saturday, December 9, at about 1 or 2 PM. Tear down is December at 9 PM. Remember, the more hands at set-up and tear down, the faster things go. I am sure that Wayne will have a sign-up sheet later.

See you at the next station!
