SHORT LINE

N-TRAK
N SCALE MODULAR RAILROADING

Over 30 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the “NTRAK” modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!
Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

Last month's event was the set-up, run, and tear down at Country Lights in Kirtland. A big THANK YOU to all those who participated, making for a generally smooth run.

This Month's Meeting

The January meeting will be on January 26th at 7:30 at the home of Dave N.. This is the annual Winterfest meeting where spouses, good friends, etc. are invited. Pleaser, if possible, bring a food item to share. Also, please leave your shoes in the rear entryway. (Alternate footwear such as slippers is recommended.) A map is attached to the email.

Next Month's Meeting

.The February meeting will be held on February 23 at 7:30 pm at a place to be determined. We are in need of a volunteer, hopefully one with an airplane to fly us to a warm part of the country. If such a person is not available, then would someone else please volunteer.
