Over 38 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the "NTRAK" modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping! Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers.

Opinions published here are solely those of the editor and/or the members of the Lake Erie N Scale Society.

This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by the members of the Lake Erie N Scale Society.

For information or questions regarding our Society, you may contact Dennis Lloyd at 440-352-7081 - or - (denlloyd@gmail.com)

Meetings normally start at 7:30 p.m., the fourth Friday of each month.

Last Month's Meeting

Last month there was no meeting. Rather we ran lots of trains at Country Lights at FarmPark in Kirtland. Set-up went smoothly. We did have to scramble to fill some of the running slots. A comment was made that there were more visitors the first night than the entire two weeks were when we were in the horse barn. Thanks to al, who helped set up, run, interact with the crowds, and tear down.

This Month's Meeting

This month's meeting will be at 7:30 on Friday, January 24, at the home of Dave N in Willoughby. (Map is attached.) We need to review the Guidelines. Spouses are welcome. Please bring a dish to share, preferably containing food. Arrive early if you wish to view the layout.
