"L.E.N.S."

Lake Erie "N" Scale Society

October 2022

See you at the next station!

Over 38 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the "NTRAK" modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping! Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers.

Opinions published here are solely those of the editor and/or the members of the Lake Erie N Scale Society.

This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by the members of the Lake Erie N Scale Society.

For information or questions regarding our Society, you may contact Dennis Lloyd at 440-352-7081 - or - (denlloyd@gmail.com)

Last Month's Meeting

Last months meeting was held at the home of Matt K.

This Month's Meeting

This month's meeting will be held on October 30, a Sunday, at 2 PM. This is an experimental time, as some members are getting to that age where night driving is not possible. The meeting will again be held at the home of Matt K. A map will be attached. We need to finalize the set-ups for both the Ntrak and TTrack at the Thompson Library in November. Hope to see you there.

A New Company (at least to me)

[Vhttps://www.rail-scale-models.com/products/N-Scale-~-Detail-Parts](https://www.rail-scale-models.com/products/N-Scale-~-Detail-Parts)

This company produces, among other things, some very reasonably priced detail parts, many under a dollar.

Meetings normally start at 7:30 p.m., the fourth Friday of each month.
