

Lake Erie “N” Scale Society

“L.E.N.S.”

January 2023

NRailTM

Over 38 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the “NTRAK” modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping! Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers.

Opinions published here are solely those of the editor and/or the members of the Lake Erie N Scale Society.

This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by the members of the Lake Erie N Scale Society.

For information or questions regarding our Society, you may contact Dennis Lloyd at 440-352-7081 - or - (denlloyd@gmail.com)

Meetings normally start at 7:30 p.m., the fourth Friday of each month.

Last Month's Meeting

There were no meetings in November or December.

This Month's Meeting

This month's meeting will be held on January 22 , a Sunday, at 2 PM. The meeting will be held at the Thompson Library, which is just north of the square on Route 528. We need to discuss plans for Railfest 2023: Are we participating, what modules are available, etc. Hope to see you there.

Next Month's Meeting

This will be determined at this month's meeting.

Four Foot Module Available

Due to physical difficulties, LENS member Randy H has a four foot module that is looking for a good, caring home. If you are interested, please contact him at 440-585-1357.
