February 2023

PRR Car Washer

Over 38 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the “NTRAK” modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping! Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

Last Month's Meeting

In January we held a Sunday afternoon meeting at the Thompson Library. We did some preliminary planning for Railfest. Dave N suggested that since this is our primary fundraiser, that non-NMRA members might consider donating an hour to helping Division 5 in any way needed. We also heard about updates to the power cart.

This Month's Meeting

This month's meeting will be held on February 26 , a Sunday, at 2 PM. The meeting will be held at the Willoughby Library (30 E Spaulding St.), which is just off of Rte. 20.. We need to finalize plans for Railfest 2023: Set-up will be after 2 PM on Friday, March 17 (we must be out of the gym by 7:30.) Run times are 10 AM until 4 PM. We will have a LENS sales table there again to sell your surplus goods. If you are selling, you need to bring a list of the items, the price (in whole dollars), and at least 10 \$1 bills in an envelope with your name on the front. Forms are on our website. You also need to help man the sales table. Those who do not may be donating half of their proceeds to the LENS treasury. Tear down is at 4 PM Sunday. We must be out by 6 PM. Hope to see you there.

Next Month's Meeting

There is no meeting in March, giving us time to recover from Railfest.

See you at the next station!
