SHORT LINE

N-TRAK
N SCALE MODULAR RAILROADING

Over 30 years of promoting model railroading!

Welcome! LENS is a group of people with a common interest in modeling N scale railroads using the “NTRAK” modular concept.

Any time we meet and/or display our work and promote this hobby, we would love to have you join us.

This means that ALL of us have chances to participate in the hobby by helping with any or all of the following:

**Setting up / tearing down
Running trains
Sharing your knowledge
Learning something new
Answering questions
Hosting a meeting**

Notice that NONE of the above requires a module. We need your help... so bring yourself, your enthusiasm, your interest and your trains.

Thanks in advance for helping!
Hopefully, we will continue to see you at the meetings and display events.

Come and join in the fun!

The Lake Erie N Scale Society newsletter is published monthly for the sole use of its members by a crew of volunteers.

Opinions published here are solely those of the editor and/or the members of the Lake Erie N Scale Society.

This publication is intended to be a monthly newsletter describing the business, events and the common interest in N scale model railroading enjoyed by the members of the Lake Erie N Scale Society.

For information or questions regarding our Society, you may contact Dennis Lloyd at 440-352-7081 - or - (denlloyd@gmail.com)

Meetings normally start at 7:30 p.m., the fourth Friday of each month.

Last Month's Meeting

The January meeting was held on at 7:30 at the home of Dave N.. This was the annual Winterfest meeting where spouses, good friends, etc. are invited. Dave demonstrated the progress he had made on his layout and some of his future plans Thanks for hosting, Dave.

This Month's Meeting

This month's meeting will be held on Friday, February 23rd, to the home of Scott G. (and Callie, too.) We cwill need to finalize plans for Railfest and go over the list of other upcoming events. We may even be put to work on the layout :-). Scott has guaranteed good weather.

Next Month's Meeting

There will be no March meeting. Instead, we will be setting up for the annual Railfest at Lakeland Community College, probably the same as the previous years, in the large gym. Set up should be under way by 5 PM on Friday, if not before. We need lots of help setting up, running trains, and tearing down on Sunday, March 18 Run times are 10AM to 4 PM each day. As usual, there will be a table available for members to sell their surplus items. There is a sheet attached to list those items, which needto be priced in whole dollar amounts Also, provide an envelope with at least 10 one dollar bills for change. Also, if you have items to sell, you will be expected to spend an hour or two during the two days to man the sales table. If you wish to order a box lunch either or both days, that form is also attached
